

ACSA Captains' Meeting
August 14, 2008
Town Lake YMCA
Austin, Texas

Called to order at 7:00 p.m.

Kevin Fricke from Lonestar Media discussed the upcoming online team and player registration process. There was no time to set up google for payment, but paypal is operational. Kevin@lonestarmedia.com is his contact for anyone having problems with the site. There's a link on the ACSA home page for registration. Using e-mail for the process because it's person specific generally. Make sure to add team name to any payment info (Treasurer's input). Paypal can accept credit cards and bank drafts, you do NOT have to have a paypal account for this to work. Email Kevin if you have players on multiple teams so they can get the reduced rate.

MOTION: Adam Key moved, Kevin Houston^{2nd} to approve minutes from the previous meeting.

Discussion of referees and their accountability followed. Issues with refs should be addressed with Paula. She needs specific information about complaints. Captains can ask not to have certain refs at their games. Requests will be accommodated if at all possible. Communication is key.

Old Business

Fields still being pursued with City. More meetings will take place after 9/1.

New Business

1. ACL sign in sheet at meeting entry will be used to determine which, if any teams will be playing that weekend.
2. Fall season will be September 6 – November 22 unless the men's league keeps OC open. That gives us 12 weekends to play.
3. The county is raising their fee structure. This may cause an increase in team fees.
4. There are many teams this fall, we may end up with 6 divisions.
5. Franks stopped stamping long enough to speak. Player cards, Frank does them all himself. Please fill out the back of the card. TSSAS player cards cannot be online, gotta do them the old fashioned way. The new online registration system will at least do away with the old player registration form. Players will not be on your roster unless they're not longer "pending" in the system. Add webmaster@sargas.com to your safe senders list in your e-mail. Should be 54 teams in the league.

Multiple player stickers:

- Must have a primary team
- Can't be on multiple teams in same division
- Sticker has spaces for 5 teams on the back.

Frank handed out stickers and explains their use.

6. Sarah asked if there are any questions. New players still need to submit photos for their player cards. Discussion of minimum age requirements followed. — gotta draw the line somewhere.
7. **MOTION:** Adam Key moved, Adam Taliachich 2nd to adjourn. Motion carries.
