

ACSA Captains' Meeting  
April 28, 2010  
YMCA Town Lake  
Austin, Texas

Called to order 7:05 p.m.

MOTION: by Marcus Ollington to approve previous meeting minutes, 2<sup>nd</sup> by Jaime Escarino, motion carried

Kevin Fricke of Lonestarmedia rose to discuss changes for our web registration. The new system will be ready for the fall season. Invitation process going away, captains can now create players themselves. Same with teams, no more team invitations.

### **Officers Reports**

**President** – We've had more rainouts this season, most teams will get a total of 9 games if no more are canceled due to rain. There'll be a \$25 refund to teams for every game less than 10 not played due to rain. At the TSSAS meeting changes were made to our player cards and to our insurance. The latter was changed so that players could purchase more if they wished. More on those changes in August. The Men's League president is concerned that some coed teams are practicing at Onion Creek. It's not allowed please don't do it.

**VP** – Tournament next year may be pushed back to avoid colder weather and perhaps to coordinate with other Austin events such as SXSW.

**Secretary** – too busy taking minutes to report

**Treasurer** – not here. Sarah reports. Bank account balances are on your handouts, does not include our investment account. We are saving money for leasing fields in partnership with COA in the future.

**Division 1** – FC Austin appears to be in the lead, no complaints from captains

**Division 2** – Alyssa jumps in, Bangers and Knockers

**Division 3** – FNA in lead.

**Division 4** – Between the Sheets in the lead for the season.

**Division 5** – division being led by Internationale FC.

**Division 6** – The Zoo

**Frank Allcorn** – not here, although he may be retiring in the near future. Deadline for summer is May 7<sup>th</sup>.

**Referee Coordinator** – all is well. One captain had questions about certifications required to be a ref for the league.

**Old Business**

We tweet now, @acsasoccer. Primary purpose is for rainout notification. Need to link the tweets to our FB page.

**New Business**

1. 9 games scheduled for the summer unless we play 8/14. Teams need to notify Frank and Sara if they're not going to be playing summer season. There'll be no game on July 4<sup>th</sup>. Game times are 0800, 0955, 1150, 1800 and 2000 hrs.
2. **Proposal 1** for a temporary suspension of a player during a game after a yellow card. Discussion followed. There was a motion and 2<sup>nd</sup> to vote on the proposal and it was overwhelmingly voted down.
3. Proposal 2 for the last 2 games of the season to be rescheduled if needed to replay the matches not played because of rainouts. Discussion followed. Motion and a 2<sup>nd</sup> was made and the motion passed 16 to 15.
4. Mark Elborn — discussion of different ideas for a tribute to his years of service to the league. Idea with the most support was to fund the installation of a bench at EMP with his name on a plaque. We'd fund 50%, the women's league another 50%.
5. Wahoo's is hosting world cup viewing parties. Aztex Coed night to be posted.
