

ACSA
Board of Captain's Meeting
August 13th, 2002

1. Minutes Approval -Stephanie

- Approved by majority vote.

2. Treasurer's Report - Carrie

- We currently have around \$14,000 in the bank, but we have some unpaid dues for the fields.
- PayPal has been setup to make it easier to pay. Until we work out the issues with Frank, only use this to pay for team fees. Hopefully soon we can use it for player fees.

3. Review of Proposed Articles on Incorporation, Bylaws and Constitution – Stephanie

- We approved the new Constitution, Articles of Incorporation, and Bylaws.
- There was some discussion of the Playing Rules being too confusing, so it was suggested that we have some sort of clinic/meeting to clear up any questions that people might have. We should probably invite the refs as well. Jamal Frasier said that he would take the lead on this.

4. Elections and Appointments

- We didn't get to this because of time constraints.
- We have three elected positions that we need to vote on: 2 GASC Representatives and Field Commissioner.

5. Fall Registration

- Frank needs more time to make cards. Drop off the registration and the money ASAP at Soccer World.

6. Other Notes

- We need three other volunteers to go to the State meeting on Saturday. If you would like to go, please contact Chris Hydak at hydak@motive.com. Right now he's the only person going!
